<p>3) COMPUTER SCIENCE</p>	<p>DE requirements are - OND/IJMB/NCE Certificate in Computer Science, Mathematics, Statistics, and Electrical Electronics Engineering with a) minimum 8 points b) minimum Upper Credit from Instituton recognised by Government and accredited by NBTE.</p>	<p>Credit pass in English Language, Mathematics, Physics and any two relevant Science subjects from (Biology or Agriculture Science, Chemistry, Geography, Further Mathematics, Technical Drawing, Economics in not more than two sittings in SSCE (WAEC NECO), or two sittings in NABTEB</p>	<p>UTME combination – English Language, Mathematics, Physics and one other relevant Science subject from (Biology, Chemistry, Geography, Agriculture Science, Further Mathematics, Technical Drawing and Economics).</p>	
<p>4) CHEMISTRY</p>	<p>DE candidates must possess one of OND, HND, NCE or IJMB with minimum of 8 points. Also, Diploma holders in relevant areas from NBTE accredited Institutions with at least Merit.</p>	<p>At least credit passes in five (5) subjects which are English Language, Mathematics, Chemistry, Physics, and Biology in not more than two (2) sittings</p> <p>NB: O'level WAEC</p>	<p>UTME subject combination use of English, Chemistry, ant two of Physics, Biology and Mathematics.</p>	

**5) ENVIRONMENTAL
MANAGEMENT AND
TOXICOLOGY**

6) MATHEMATICS

7) PHYSICS

DE candidates **must** have GCE Advanced level, IJMB, NCE-Minimum of Credit Pass or OND Minimum of Lower Credit (i.e total minimum score of 8 points).

NCE and OND courses are those with bias in Applied Sciences.

In addition to O'level requirement, **Two A level** passes in Science subjects including Mathematics NCE with at least 'Merit' in Mathematics and one other Science subject.

DE requirements - **A level passes** (graded A-D) at the Advanced Level in one or more relevant subjects (Biology, Botany, Chemistry, Geography, Mathematics) and Physics

IJMB, NCE or ND may

and NECO combination in two sittings. NABTEB can only be combined with NABTEB in two sittings.

WAEC or **NECO** or its equivalent with five credits in English Language, Mathematics, Chemistry, Geography and Biology or Agric. Science, in not more than two (2) sittings. Candidates must also have at least pass in physics.

At least five (5) O'Level credit passes at SSCE (or its equivalent) including English Language, Mathematics and Physics or Chemistry and any other two Science subjects in not more than two sittings.

Credit passes in five subjects including English Language, Mathematics, Physics and Chemistry, with credit in one other relevant science subject at SSCE or its equivalent.

UTME subject combination are English, Chemistry, Biology and either Mathematics, Geography or Physics.

English Language, Mathematics, and any two of Physics, Chemistry, Economics, Biology and Agricultural Science.

UTME subjects are English Language, Mathematics, Physics and Chemistry.

8) BIOCHEMISTRY

also be considered.

Two A level passes, one in Chemistry, and others including Biology (Botany/Zoology), Physics and Mathematics.

IJMB with minimum of 10 points in Chemistry, Biology, and Physics/Mathematics.

National Diploma with Upper Credit in MLS, SLT, ND, FST, and other related courses.

HND with at least Lower Credit; B.Sc. in related courses with at least Third Class.

Five O'level mandatory credit in English, Mathematics, Biology, Chemistry and Physics.

UTME subject combination are English, Chemistry, Biology and Physics with the minimum approved score.

Biochemistry

Transfer

In addition to the relevant O' level and A level credits, and UTME subject combination, the candidate should pass the 100 Level courses with CGPA 3.00 (5.00 scale), and be of good character to qualify for transfer.
